Dear Sir,

Reference on behalf of ADAPT Essential Services

I am pleased to provide this reference on behalf of ADAPT Essential Services.

In my role as Head of Property for the School, my dealings with ADAPT Essential Services and in particular with Mr Peter Hartmann have always been performed in a professional manner with Peter being backed up with a trade staff who are always professional, know what they are doing and need little if any supervision.

Over the past three years, ADAPT Essential Services have provided me with the level of service and quality of product that I require to keep Caulfield Grammar School maintained to a high standard of presentation and in accordance with regulatory requirements.

ADAPT Essential Services perform all of my testing including remediation works on the installed Emergency and Exit lighting at all Campuses. We have found them to be diligent, trustworthy and responsive to our needs and their knowledge of Essential Services especially Emergency Lighting is and the recording of same both in tabular and diagrammatic format, excellent. I would have no hesitation in recommending them to you for any works that they may be seeking.

Should you require any further information, then please do not hesitate to contact me on any of the following numbers, 9524 6317 or 0414 783 045.

Yours sincerely

Mr Robbie McTernan
